32 Candles Review: Very entertaining nice flow and enough drama to keep u reading. This was a good depiction of what bullying can do to your self esteem and the dysfunctions it can cause in your adult life. As sweet lovable and innocent as Davie was she was manipulative and sneaky. She orchestrated some of the best set ups.

Davie Jones—an ugly duckling growing up in small-town Mississippi with a mother who couldn't get any meaner—is positive her life couldn't be any worse. Just when she's resigned herself to her fate, she sees a movie that will change her life—Sixteen Candles. But in her case, life doesn't imitate art. Tormented in school and hopelessly in unrequited love with a handsome football player, Davie finds it bittersweet to dream of Molly Ringwald endings. When a cruel school prank goes too far, Davie leaves the life she knows and reinvents herself in the glittery world of Hollywood—as a beautiful and successful lounge singer. Just as she's about to ride off into the L.A. sunset, the past comes back with a vengeance, threatening to crush Davie's dreams—and break her heart again. With wholly original characters and a cinematic storyline, 32 Candles introduces Ernessa T. Carter, a new voice in fiction with smarts, attitude, and sassiness to spare.

The only things that Sharita, Thursday, Risa, and Tammy have in common are their disastrous love lives. But the year three of them turn 30 will be different, they swear. None of these women get what they want, but over the course of two years, they get exactly what they need. And that proves to be the best thing after all.

Don Giovanni was once the wealthiest and handsomest young man in Messina. Then a tidal wave changed everything. When a well-dressed stranger offers him a magical purse, he knows he shouldn't take it. Only the devil would offer a deal like this, and only a fool would accept. Don Giovanni is no fool, but he is desperate. He takes the bet: he will not bathe for 3 years, 3 months, and 3 days. Beauty is a small price to pay for worldly wealth, isn't it? Unless he loses the wager—and with it his soul. Set against the stunning backdrop of ancient Sicily, Donna Jo Napoli's new novel is a powerful tale about discovering what truly matters most.

Beloved author Maeve Binchy's first published novel, an engrossing coming of age tale about the incredible bond of friendship. To escape the chaos of London during World War II, young Elizabeth White is sent to live a safer life in the small Irish town of Kilgarret. It is there, in the crowded, chaotic O'Connor household, that she meet Aisling—a girl who soon becomes her very best friend, sharing her pet kitten and secretly teaching her the intricacies of Catholicism. Aisling's boldness brings Elizabeth out of her proper shell; later, her support carries Elizabeth through the painful end of her parents' chilly marriage. In return, Elizabeth's friendship helps Aisling endure her own unsatisfying marriage to a raging alcoholic. Through the years, they come to believe they can overcome any conflict, conquer any hardship—as long as they have each other. Now they're about to find out if they're right... "A sumptuous saga."—Harper's "Wonderful...a novel that could be mistaken for life."—New York Daily News

Dreaming of finding and marrying a man that can live up to her ideals, flight attendant Montana Moore, having watched the female members of her family engage in reckless marital behavior, sets out for the adventure of her life.

"[Quindlen] serves up generous portions of her wise, commonsensical, irresistibly quotable take on life. . . . What Nora Ephron does for body image and Anne Lamott for spiritual neuroses, Quindlen achieves on the home front."—NPR Includes an exclusive conversation between Meryl Streep and Anna Quindlen! In this irresistible memoir, Anna Quindlen writes about a woman's life, from childhood memories to manic motherhood to middle age, using the events of her life to illuminate ours. Considering—and celebrating—everything from marriage, girlfriends, our mothers, parenting, faith, loss, to all the stuff in our closets, and more, Quindlen says for us here what we may wish we could have said ourselves. As she did in her beloved New York Times columns, and in *A Short Guide to a Happy Life*, Quindlen uses her past, present, and future to explore what matters most to women at different ages. Quindlen talks about Marriage: "A safety net of small white lies can be the bedrock of a successful marriage. You wouldn't believe how cheaply I can do a kitchen renovation." Girlfriends: "Ask any woman how she makes it through the day, and she may mention her calendar, her to-do lists, her babysitter. But if you push her on how she really makes it through her day, she will mention her girlfriends. " Our bodies: "I've finally recognized my body for what it is: a personality-delivery system, designed expressly to carry my character from place to place, now and in the years to come." Parenting: "Being a parent is not transactional. We do not get what we give. It is the ultimate pay-it-forward endeavor: We are good parents not so they will be loving enough to stay with us but so they will be strong enough to leave us." Candid, funny, and moving, *Lots of Candles, Plenty of Cake* is filled with the sharp insights and revealing observations that have long confirmed Quindlen's status as America's laureate of real life. "Classic Quindlen, at times witty, at times wise, and always of her time."—The Miami Herald "[A] pithy, get-real memoir."—Booklist
