published writer. He is from Miami. He became popular not through the publicity of big publishing house but through social media.

Book Review: BEAUTIFUL CHAOS by Robert.M.Drake
Volume 3 of Robert M. Drakes entries. This book employs the comparative method to understand societal collapses to which environmental problems contribute to the common youth and society as a whole. In his writing, Robert M. Drake hauntingly describes the issues we are all facing today. We all are broken and broken is its own kind of beautiful.

Beautiful Chaos by Robert M. Drake (eBook) □ Lulu GB
Robert M. Drake is a brilliant writer. This is the second book of his I read. The first was Black Butterfly, his most recent. This is not his most recent. As writers, we grow with this. This is definitely a glimpse of where he was and I love reading the work and watching writers grow into who they are meant to be. Great book.

Chaos is not pretty it is like feeling a hundred things, hearing a hundred voices, and somewhere in the riot we tend to lose ourselves and lose direction in our heads. This book is the truth, it is everything we have been feeling and running away from for so long.

truth. It is everything we have been feeling and running away from for so long. In this powerful collection of short poems, Drake explores themes of love, loss, pain, and loneliness in an effort to make sense of a chaotic world."

In this powerful collection of short poems, Drake explores themes of love, loss, pain, and loneliness in an effort to make sense of a chaotic world.

Chaos is not pretty. It's like feeling a hundred things. Hearing a hundred voices, and somewhere in the riot we tend to lose ourselves. And as we depart reality we find the truth. This book is the truth, it's everything we've been feeling for so long.

This book is a collection of memories and experiences Drake lived after the death of one of his brothers. He promised he would write him a few words after he failed to complete the task while his brother was alive. This book is everything—this book is for all who are breathing and for all who are no longer here. This book is for you.

On the heels of three internationally bestselling books of poetry, Robert M. Drake takes his readers to a deeper level of his consciousness with this collection of stories.

What are you hiding behind your smile? If those empty bottles that line the walls of your room could speak, what tales would they spill? So much of your truth is buried beneath the lies you tell yourself. There's a need to scream to the moon; there's this urge to go out into the darkness of the night to purge. There are so many stories living inside your soul, you just want the opportunity to tell them. And when you can't find the will to express what lives within your heart, these words

Read Book Beautiful Chaos Robert M Drake

will give you peace. These words will set you free.

The first person who breaks your heart will always teach you the importance of love. 1. People come and go and only a handful of them are willing to stay. So it is best to give them your promises. 2. You have to go through pain every once in a while. That's how it works. Pain is inevitable. Pain is relative. Pain brings people closer together. So it is best to give the people you love your sorrow. They will make flowers out of them. Believe it. And 3. Somewhere down the line a revelation will hit you like a comet and when it does you will think of the first time you got your heart broken. And the second and maybe even the third. And you will finally realize the importance of it all. And you will thank them for the experiences. And you will finally bring down your walls and learn how to move on. How to forgive. How to properly heal. And you will do all of these marvelous things but also, you will never forget the way they once made you feel. You will never forget the slow burn that brokenness brings. And you will remind yourself of it every now and then... and you will do so to remember the importance of letting go and etc. To remember why you should never search for love in the same place you lost it. Why you should never search for love in the same place where it left you broken. That's the importance of love. Of going through it-to have it and cherish it... but also, to not fall victim to the same people and tragedies that made you feel even more alone. To not fall victim to all things that covered up the sun. Those lessons are valuable, therefore, it is best to learn as much as you can and love as much as you're willing to get hurt. Stay strong.

From New York Times bestselling authors r.h. Sin and Robert M. Drake with bestselling poet Samantha King Holmes comes an ode for all women. This is the time to look into the mirror

Read Book Beautiful Chaos Robert M Drake

and see everything you've been fighting for. Yourself, a peace of mind, and everything your heart deserves. You fit inside these words.

The heart will ache, the soul will feel weary, and the mind will be weighed down by the things you wish to forget. There will be nights when all you have is yourself and the moon. There will be nights when silence will exist in abundance. And even though you may feel lonely at first. You must understand that the solitude is a gift; you must understand that even when alone, you are more than enough.
