And faced with these almost insurmountable odds Ben-Gurion not only had to guide the fledgling nation but fight a war of survival and at the same time ensure that his people did not lose hope. Ben-Gurion not only ensured the survival of his nascent nation but then went on to helm the destiny of the nation and its people for 15 years as its Premier.

Read Book Ben Gurion The New Millennium Edition

This book explores the domestic and international relations of countries in the Middle East and North Africa using the focus of ideas and repeat interactions employed by constructivism. This book incorporates rich history and analyses of political trends and figures of the region to develop a deeper understanding of Middle East politics.

This book is an in-depth portret of investment opportunity in the Middle East as it stands today. For each of sixteen countries, the author provides in-depth analysis of current economic, political, and business issues, with detailed

Read Book Ben Gurion The New Millennium Edition

attention to legislation in such vital areas as currency and banking, intellectual property rights, investment incentives, trade regulation, business form and structures, taxation, and the laws applicable to labor and environmental issues, as well as a description of relevant judicial procedures. The Middle East in the New Millenium represents the clearest indication we have yet of the prospects for crystallization of this region and the likely pace and aspect of economic liberalization.

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. Turkey's involvement in the Gulf War in 1991 paved the way for the

country's acceptance into the European Union. This book traces that process and in the first part looks at Turkey's foreign policy in the 1990s, considering the ability of the country to withstand the repercussions of the fall of communism. It focuses on Turkey's achievement in halting and minimising the effects of the temporary devaluation in its strategic importance that resulted from the waning of the Cold War and the disintegration of the Soviet Union, the skilful way in which Turkey avoided becoming embroiled in the ethnic upheavals in Central Asia, the Balkans and the Middle East, and the development of a continued policy of closer integration into the European and western worlds.

Read Book Ben Gurion The New Millennium Edition

Internal politics are the focus of the second part of the book, addressing the curbing of the Kurdish revolt, the economic gains made, and the strengthening of civil society. Nachmani goes on to analyse the prospects for Turkey in the twenty-first century, in the light of the possible integration into Europe, which may leave the country's leadership free to deal effectively with domestic issues. This book will make crucial reading for anyone studying Turkish politics, or indeed European or European Union politics.

By looking at history and geography it is clear that many end-time passages from the Old Testament prophecies have been

Read Book Ben Gurion The New Millennium Edition

fulfilled. Applying the same process to the familiar New Testament end-time passages, Butler shows that most of these prophecies have also been fulfilled.

How a controversial biblical tale of conquest and genocide became a founding story of modern Israel No biblical text has been more central to the politics of modern Israel than the book of Joshua. Named after a military leader who became the successor to Moses, it depicts the march of the ancient Israelites into Canaan, describing how they subjugated and massacred the indigenous peoples. The Joshua Generation examines the book's centrality to the Israeli occupation today, revealing why nationalist longing and social reality are

Read Book Ben Gurion The New Millennium Edition

tragically out of sync in the Promised Land. Though the book of Joshua was largely ignored and reviled by diaspora Jews, the leaders of modern Israel have invoked it to promote national cohesion. Critics of occupation, meanwhile, have denounced it as a book that celebrates genocide. Rachel Havrelock looks at the composition of Joshua, showing how it reflected the fractious nature of ancient Israelite society and a desire to unify the populace under a strong monarchy. She describes how David Ben-Gurion, Israel's first prime minister, convened a study group at his home in the late 1950s, where generals, politicians, and professors reformulated the story of Israel's founding in the language

Read Book Ben Gurion The New Millennium Edition

of Joshua. Havrelock traces how Ben-Gurion used a brutal tale of conquest to unite an immigrant population of Jews of different ethnicities and backgrounds, casting modern Israelis and Palestinians as latter-day Israelites and Canaanites.

Providing an alternative reading of Joshua, *The Joshua Generation* finds evidence of a decentralized society composed of tribes, clans, and woman-run households, one with relevance to today when diverse peoples share the dwindling resources of a scarred land.

Millennium addresses the gap between technical and business-oriented modeling approaches by providing an integrative view of modeling different facets of ICT and organizations.

Winner of the 2017 National Jewish Book Award/Everett Family Foundation Book of the Year, this is the definitive biography of the iron-willed leader, chain-smoking political operative, and tea-and-cake serving grandmother who became the fourth prime minister of Israel. Born in tsarist Russia in 1898. Golda Meir immigrated to America in 1906 and grew up in Milwaukee. where from the earliest years she displayed the political consciousness and organizational

Read Book Ben Gurion The New Millennium Edition

skills that would eventually catapult her into the inner circles of Israel's founding generation. Moving to mandatory Palestine in 1921 with her husband, the passionate socialist joined a kibbutz but soon left and was hired at a public works office by the man who would become the great love of her life. A series of public service jobs brought her to the attention of David Ben-Gurion, and her political career took off. Fund-raising in America in 1948, secretly meeting in Amman with King Abdullah right before Israel's declaration of independence, mobbed by thousands of Jews in a Moscow synagogue in 1948 as Israel's first representative to the USSR, serving as minister of labor and foreign minister in the 1950s

Read Book Ben Gurion The New Millennium Edition

and 1960s, Golda brought fiery oratory, plainspoken appeals, and shrewd-making to the cause to which she had dedicated her life--the welfare and security of the State of Israel and its people. As prime minister, Golda negotiated arms agreements with Richard Nixon and Henry Kissinger and had dozens of clandestine meetings with Jordan's King Hussein in the unsuccessful pursuit of a land-for-peace agreement with Israel's neighbors. But her time in office ended in tragedy, when Israel was caught off guard by Egypt and Syria's surprise attack on Yom Kippur in 1973. Resigning in the war's aftermath, Golda spent her final years keeping a hand in national affairs and bemusedly enjoying
