Service Manual Question I found a download for the X5 at Tradebit.com It's not specific to the 2010 3.5d, but was the best I could find. It was about \$20 and very detailed for most things. When on th Tradebit site, search for "BMW X5 2007-2010 Repair Service Manual". I'd rate it at 7/10, but there's nothing else out there, so I guess it's a 10!

Brought my 2013 X5 50i M sport to Foreign Tech to get some motor work done. BMW dealerships wanted me to put in a new motor out of pocket for the troublesome N63 motor. Said that it couldn't be done. I left it with The guys at Foreign tech and they fixed it without a problem, they are even approved by my third party warranty for all the work.

Love love love that my new BMW has all that space in the back. I resisted the temptation to test drive minivans this time around. But if this BMW gives me an endless rash of repairs, I'm heading straight for a Lexus dealer when I get rid of the X5. Hopefully they will have some improved builds by then.
