widow's new life.

Geography is a fun subject to learn about. In this edition, world capitals and U.S. capitals will be featured. These word search puzzles are designed to educate and entertain the young and young-at-heart.

When Sam's best friend gets her first boyfriend, she's not ready to spend the summer listening to the two of them call each other "pookie." Sick of being a third wheel, Sam applies to be a counselor-in-training at Whispering Pines camp in the New York Catskills. But what she doesn't realize is that it's not going to be all Kumbaya sing-alongs and gooey s'mores. If Ashley, the alpha queen of Whispering Pines, doesn't ruin Sam's summer, then her raging crush on the surfer-blond and flirtatious Hunter just might. At least she has playful Cole, who's always teasing her, but is oh-so-comfortable to hang out with, and the singular gang of girls that become fast friends with Sam—they call themselves the Sleepaway Girls.

This is one in a series of manuals for car or motorcycle owners. Each book provides information on routine maintenance and servicing, with tasks described and photographed in a step-by-step sequence so that even a novice can do the work.

artistiche del Novecento.

Mark Spragg grew up on the oldest dude ranch in Wyoming - a remote spread in the Shoshone National Forest. It is a sublime but unforgiving landscape, a place of unrelenting winds, pitiless blizzards, fierce rivers, and the men who work there have to be tough to survive. Spragg writes lyrically of this world, its animals - horses, bears, elk - and of its people, in particular his parents and John, an old cowboy who becomes the boy's mentor. This is a book about joy - Spragg's writing is miraculous; tough but beautiful, passionate and funny.
