Alcoholism and Grief. Many people turn to alcohol after a loss. For some, the period of combined grief and alcohol abuse is short-lived. For others who are in grief, alcohol abuse continues to escalate over time. When people drink to soften, avoid or suppress feelings of grief alcoholism can develop and become quite severe. Does alcohol make grief worse? While drinking does not always delay or complicate the grieving process, it often does.

Maggie: A Girl of the Streets is an 1893 novella by American author Stephen Crane (1871-1900). The story centers on Maggie, a young girl from the Bowery who is driven to unfortunate circumstances by poverty and solitude. The work was considered risqué by publishers because of its literary realism and strong themes. Crane - who was 22 years
