~~Horns by Joe Hill | LibraryThing~~

Joe Hill (son of King) is on his way to being a great supernatural writer as long as he can conquer the curse handed down from his father. The novel itself contains a little supernatural thriller, a little romance, and a lot of mystery. Unfortunately, he can't hold the tensions together which blends the three together like a bad cocktail.

Now a major Hollywood film starring Daniel Radcliffe: read it first, if you dare ... Ignatius Perrish spent the night drunk and doing terrible things. He woke up the next morning with one hell of a hangover, a raging

Download File PDF Horns Joe Hill

headache ... and a pair of horns growing from his temples. Once, Ig lived the life of the blessed: born into privilege, the second son of a renowned American musician, and the younger brother of a rising late-night TV star, Ig had security and wealth and a place in his community. Ig had it all, and more - he had the love of Merrin Williams, a love founded on shared daydreams, mutual daring, and unlikely midsummer magic. Then beautiful, vivacious Merrin was gone - raped and murdered, under inexplicable circumstances - with Ig the only suspect. He was never tried for the crime, but in the court of public opinion, Ig was and always would be guilty. Now Ig is possessed with a terrible new power - with just a touch he can see people's darkest desires - to go with his terrible new look, and he means to use it to find the man who killed Merrin and destroyed his life. Being good and praying for the best got him nowhere. It's time for a little revenge; it's time the devil had his due.

After his childhood sweetheart is brutally killed and suspicion falls on him, Ig Parrish goes on a drinking binge and wakes up with horns on his head, hate in his heart and an incredible new power, a power he uses in the name of vengeance, only to learn that, when it comes to revenge, the devil is in the details. By the best-selling author of *Heart-Shaped Box*. 250,000 first printing.

From the New York Times bestselling author of *Heart-Shaped Box* and *NOS4A2*, a relentless supernatural thriller that runs like Hell on wheels . . . Merrin Williams is dead, slaughtered under inexplicable circumstances, leaving her beloved boyfriend Ignatius

possesses is as unlikely or as dreadful as his latest discovery, an item for sale on the Internet, a thing so terribly strange, Jude can't help but reach for his wallet. I will "sell" my stepfather's ghost to the highest bidder. . . . For a thousand dollars, Jude will become the proud owner of a dead man's suit, said to be haunted by a restless spirit. He isn't afraid. He has spent a lifetime coping with ghosts—of an abusive father, of the lovers he callously abandoned, of the bandmates he betrayed. What's one more? But what UPS delivers to his door in a black heart-shaped box is no imaginary or metaphorical ghost, no benign conversation piece. It's the real thing. And suddenly the suit's previous owner is everywhere: behind the bedroom door . . . seated in Jude's restored vintage Mustang . . . standing outside his window . . . staring out from his widescreen TV. Waiting—with a gleaming razor blade on a chain dangling from one bony hand. . . . A multiple-award winner for his short fiction, author Joe Hill immediately vaults into the top echelon of dark fantasists with a blood-chilling roller-coaster ride of a novel, a masterwork brimming with relentless thrills and acid terror.

Get four bone-chilling novels of psychological and supernatural suspense from New York Times bestselling author Joe Hill in one e-book, including: Heart-Shaped Box, 20th Century Ghosts, Horns, and NOS4A2. Each publication of Hill is beautiful textured, deliciously scary, and greeted with the sort of overwhelming critical acclaim that is rare for works of skin-crawling supernatural terror. Read on if you dare to see what all the well-deserved hoopla is about.

Unexpectedly promoted to detective when his

predecessor goes missing and a supervisor is killed, agency clerk Charles Unwin struggles with inexperience and nerves during a case in which he encounters bizarre clues and is framed for murder.

A collection of four chilling novels, ingeniously wrought gems of terror from the brilliantly imaginative, #1 New York Times bestselling author of *The Fireman*, Joe Hill. "One of America's finest horror writers" (*Time* magazine), Joe Hill has been hailed among legendary talents such as Peter Straub, Neil Gaiman, and Jonathan Lethem. In *Strange Weather*, this "compelling chronicler of human nature's continual war between good and evil," (*Providence Journal-Bulletin*) who "pushes genre conventions to new extremes" (*New York Times Book Review*) deftly expose the darkness that lies just beneath the surface of everyday life. "Snapshot" is the disturbing story of a Silicon Valley adolescent who finds himself threatened by "The Phoenician," a tattooed thug who possesses a Polaroid Instant Camera that erases memories, snap by snap. A young man takes to the skies to experience his first parachute jump. . . and winds up a castaway on an impossibly solid cloud, a Prospero's island of roiling vapor that seems animated by a mind of its own in "Aloft." On a seemingly ordinary day in Boulder, Colorado, the clouds open up in a downpour of nails—splinters of bright crystal that shred the skin of anyone not safely under cover. "Rain" explores this escalating apocalyptic event, as the deluge of nails spreads out across the country and around the world. In "Loaded," a mall security guard in a coastal Florida town courageously stops a mass shooting and becomes a hero to the modern gun rights movement. But under

Download File PDF Horns Joe Hill

the glare of the spotlights, his story begins to unravel, taking his sanity with it. When an out-of-control summer blaze approaches the town, he will reach for the gun again and embark on one last day of reckoning. Masterfully exploring classic literary themes through the prism of the supernatural, *Strange Weather* is a stellar collection from an artist who is "quite simply the best horror writer of our generation" (Michael Kortya).

This ebook features added multimedia content: an interview with George Carlin 's daughter Kelly about life with her dad, and a tribute video with interviews with Susie Essman, Michael Ian Black, Richard Belzer, George Wendt, and Jeffrey Ross, who talk about Carlin 's incredible ability to make people laugh. One of the undisputed heavyweight champions of American comedy, with nineteen appearances on the Johnny Carson show, thirteen HBO specials, five Grammys, and a critical Supreme Court battle over censorship under his belt, George Carlin saw it all throughout his extraordinary fifty-year career, and made fun of most of it. *Last Words* is the story of the man behind some of the most seminal comedy of the last half century, blending his signature acerbic humor with never-before-told stories from his own life, including encounters with a *Who 's Who* of 1970s celebrity—from Lenny Bruce to Hugh Hefner—and the origins of some of his most famous standup routines. Carlin 's early conflicts, his long struggle with substance abuse, his turbulent relationships with his family, and his triumphs over catastrophic setbacks all fueled the unique comedic worldview he brought to the stage. From the heights of stardom to the low points few knew about, *Last Words* is told with the same razor-sharp wit and unblinking

Download File PDF Horns Joe Hill

honesty that made Carlin one of the best-loved comedians in American history
