Simon Mollat woke up in the dunes of Arambol Beach, Goa, India with an agonizing hangover. The year was 2000 and the apocalypse was still a figment of collective imagination – the millennium celebration had lasted Simon for four consecutive months. A more enlightened soul would have enjoyed the sunrise, but not Simon. He was being pissed on by a stray dog, and somewhere in the back of his mind Pink Floyd wandered in and around his aching head. Is there anybody out there? Once he had been a promising young man from the land of the midnight sun. Current status? Man on the lam suffering from depression and aimlessness, a stray dog's pissing post. His thoughts turned to the stones he'd stuffed in his pocket during the night, the boat he could easily "borrow" that could take him away, far into the water. He would slip out of the boat and dive downward and away from all of his suffering. Something intervened and took Simon out of his suicidal head and the recurring Pink Floyd soundtrack; it was something itchy and stuffed in the neck opening of his t-shirt. It was a balled up piece of paper with the photograph of a withered Indian man and a message that read, "Freedom from this 'me'" and signed by someone named Raman Kavalam. It smelled of incense and made Simon think of sects, robes, and cultist brainwashing. Simon was by no means a religious person, he didn't even believe in God. But something compelled him forward to seek out this Raman Kavalam, something much larger than himself. And, so begins the odyssey of Simon Mollat's spiritual awakening. Within the Space of the Moment takes readers on an unforgettable journey from despair and outer pleasure to inner peace and the feeling of being intensely alive. "If there is any formula at all to discovering the truth of who you are, it lies in the distinction between an occupied mind and a still or clear one."

Jack Valentini isn't my type. Sexy, brooding cowboys are fine in the movies, but in real life, I prefer a suit and tie. Proper manners. A close shave. Jack might be gorgeous, but he's also scruffy, rugged, and rude. He wants nothing to do with a "rich city girl" like me, and he isn't afraid to say so. But I've got a PR job to do for his family's farm, so he's stuck with me and I'm stuck with him. His glares. His moods. His tight jeans. His muscles. His huge, hard muscles. Pretty soon there's a whole different kind of tension between us, the kind that has me misbehaving in barns, trees, and pickup trucks. I've never done anything so out of character-but it feels too good to stop. And the more I learn about the grieving ex-Army sergeant, the better I understand him. Losing his wife left him broken and bitter and blaming himself. He doesn't think he deserves a second chance at happiness. But he's wrong. I don't need to be his first love. If only he'd let me be his last.

And that's exactly what she's counting on. Gwen knew there was a chance she'd run into the boy who broke her heart all those years ago, but she wasn't prepared for the man he'd become—or the fact that he doesn't remember her at all. It's been ten years since Ian McCormick has been back in town and he's more than ready to put his family drama behind him, start a new business and maybe even have a little fun. And what better way to enjoy summer at the lake than with the gorgeous brunette he can't stop thinking about? It was just supposed to be a fun little experiment for her followers. A test to see if looks really do matter. Would Ian be interested the new and improved version of her after all these years? It was perfect. At least until all the feelings she thought were long dead, come rushing back. And once the plan is in motion, she can't back out. With their hearts on the line, can Gwen continue to play a game that could devastate them both and destroy the only real chance at love she's ever had?
