Publisher description

Looks at the rise of industrialization in the
Eastern United States during the first half of
the nineteenth century.

Get Free Industrializing Antebellum America The Rise Of Manufacturing

The United States has long epitomized capitalism. From its enterprising shopkeepers, wildcat banks, violent slave plantations, huge industrial working class, and raucous commodities trade to its world-spanning multinationals, its massive factories, and the centripetal power of New

Get Free Industrializing Antebellum America The

York in the world of finance, America has come to symbolize capitalism for two centuries and more. But an understanding of the history of American capitalism is as elusive as it is urgent. What does it mean to make capitalism a subject of historical inquiry? What is its potential across multiple disciplines, alongside different

Get Free Industrializing Antebellum America The

methodologies, and in a range of geographic and chronological settings? And how does a focus on capitalism change our understanding of American history?

American Capitalism presents a sampling of cutting-edge research from prominent scholars. These broad-minded and rigorous essays venture new angles on finance, debt,

Becca Walton, and Sarah Jones Weicksel

Fashion studies have long centered on the
art and preservation of finely rendered
garments of the upper class, and archival
resources used in the study of southern

Get Free Industrializing Antebellum America The

history have gaps and silences. Yet, little study has been given to the approach of clothing as something made, worn, and intimately experienced by enslaved people, incarcerated people, and the poor and working class, and by subcultures perceived as transgressive. The essays in the volume, using clothing as a point of departure,

Get Free Industrializing Antebellum America The

encourage readers to imagine the South ' s centuries-long engagement with a global economy through garments, with cotton harvested by enslaved or poorly paid workers, milled in distant factories, designed with influence from cosmopolitan tastemakers, and sold back in the South, often by immigrant merchants. Contributors

Get Free Industrializing Antebellum America The

explore such topics as how free and enslaved women with few or no legal rights claimed to own clothing in the mid-1800s, how white women in the Confederacy claimed the making of clothing as a form of patriotism, how imprisoned men and women made and imagined their clothing, and clothing cooperatives in civil rights – era Mississippi.

Get Free Industrializing Antebellum America The

An introduction by editors Ted Ownby and Becca Walton asks how best to begin studying clothing and fashion in southern history, and an afterword by Jonathan Prude asks how best to conclude.

From the invention of eyeglasses to the Internet, this three-volume set examines the
