Isabella of France is remembered today as a she-wolf and rebel queen a woman who defied her husband, Edward II of England, in effort to rid the English court of the toxic presence of the kings favourite and likely lover, Hugh Despenser.

Isabella of France: The Rebel Queen by Kathryn Warner

Fourteenth century English Queen Isabella, the She-Wolf of France aka the Rebel Queen, was a complex, violent person who drank heavily but who was charitable to the poor and well-liked by her people. She killed her husband, King Edward II, the only English queen known to have killed an English king. Later in life she became a nun.

The fascinating story of the exceptional woman who wrested power from Edward II and changed the course of English history

Obey your husband. Make him love you. This is your duty to me and to France. With these words, King Philippe of France sent Princess Isabella to marry the dashing King Edward of England. She's determined to fulfill her father's injunction, but once wed, the young queen quickly abandons her romantic illusions: her husband has a secret, one that will stand between them and threatens to plunge England into civil war. As lonely Isabella grows into womanhood amid the deadly maelstrom of Edward's court, she rises above her despair and uses her clever mind and political acumen to unite the country. But when tensions with France rise, the young queen faces an impossible choice. From bestselling author Colin Falconer comes the little-known story of a queen who took control of her destiny--and the throne.

He is one of the most reviled English kings in history. He drove his kingdom to the brink of civil war a dozen times in less than twenty years. He allowed his male lovers to rule the kingdom. He led a great army to the most ignominious military defeat in English history. His wife took a lover and invaded his kingdom, and he ended his reign wandering around Wales with a handful of followers, pursued by an army. He was the first king of England forced to abdicate his throne. Popular legend has it that he died screaming impaled on a red-hot poker, but in fact the time and place of his death are shrouded in mystery. His life reads like an Elizabethan tragedy, full of passionate doomed love, bloody revenge, jealousy, hatred, vindictiveness and obsession. He was Edward II, and this book tells his story. The focus here is on his relationships with his male 'favourites' and his disaffected wife, on his unorthodox lifestyle and hobbies, and on the mystery surrounding his death. Using almost exclusively fourteenth-century sources and Edward's own

letters and speeches wherever possible, Kathryn Warner strips away the myths which have been created about him over the centuries, and provides a far more accurate and vivid picture of him than has previously been seen.

The story of Queen Isabella, who sought revenge on her husband Edward II, and her lover Sir Roger Mortimer, who masterminded the invasion that accomplished it. The marriage of Isabella of France and Edward II of England in 1308 is a union meant to secure lasting peace. For years, Isabella is a loyal wife, who repeatedly salvages her husband's kingship, even as she endures his neglect. When she finally speaks out against Edward's favorite, Lord Hugh Despenser, her income, lands and children are taken from her. In an age when women are not supposed to openly defy their husbands, Isabella vows to get her children back and have her revenge on Despenser - no matter what the cost. Imprisoned in the Tower of London for leading a rebellion against King Edward, Mortimer escapes with Isabella's help and finds refuge in the French court. But when Isabella arrives in Paris to negotiate a peace treaty, it is a temptation the ambitious Mortimer cannot resist.

BONUS: This edition contains an excerpt from Alison Weir's Mary Boleyn. In this vibrant biography, acclaimed author Alison Weir reexamines the life of Isabella of England, one of history's most notorious and charismatic queens. Isabella arrived in London in 1308, the spirited twelve-year-old daughter of King Philip IV of France. Her marriage to the heir to England's throne was designed to heal old political wounds between the two countries, and in the years that followed she became an important figure, a determined and clever woman whose influence would come to last centuries. Many myths and legends have been woven around Isabella's story, but in this first full biography in more than 150 years, Alison Weir gives a groundbreaking new perspective.

Blending the iconoclastic feminism of The Notorious RBG and the confident irreverence of Go the F**ck to Sleep, a brazen and empowering illustrated collection that celebrates inspirational badass women throughout history, based on the popular Tumblr blog. Well-behaved women seldom make history. Good thing these women are far from well behaved . . . Illustrated in a contemporary animation style, Rejected Princesses turns the ubiquitous "pretty pink princess" stereotype portrayed in movies, and on endless toys, books, and tutus on its head, paying homage instead to an awesome collection of strong, fierce, and yes, sometimes weird, women: warrior queens, soldiers, villains, spies, revolutionaries, and more who refused to behave and meekly accept their place. An entertaining mix of biography, imagery, and humor written in a fresh, young, and riotous voice, this thoroughly researched exploration salutes these awesome women drawn from both historical and fantastical realms, including real life, literature, mythology, and folklore. Each profile features an eye-catching image of both heroic and villainous women in command from across history and around the world, from a princess-cum-pirate in fifth century Denmark, to a rebel preacher in 1630s Boston, to a bloodthirsty Hungarian countess, and a former prostitute who commanded a fleet of more than 70,000 men on China's seas.

Philippa of Hainault: Mother of the English Nation. The first biography of a remarkable and influential English queen.

One night in August 1323, a captive rebel baron, Sir Roger Mortimer, drugged his guards and escaped from the Tower of London. With the king's men-at-arms in pursuit he fled to the south coast and sailed to France. There he was joined by Isabella, the Queen of England, who threw herself into his arms. A year later, as lovers, they returned with an invading army: King Edward II's forces crumbled before them and Mortimer took power. He removed Edward II in the first deposition of a monarch in British history. Then the ex-king was apparently murdered, some said with a red-hot poker, in Berkeley Castle. Brutal, intelligent, passionate, profligate, imaginative, and violent, Sir Roger Mortimer was an extraordinary character. It is not surprising that the Queen lost her heart to him. Nor is it surprising that his contemporaries were terrified of him. But until now no one has appreciated the full evil genius of the man. This first biography, The Greatest Traitor by Ian Mortimer, reveals not only Mortimer's career as a feudal lord, a governor of Ireland, a rebel leader, and a dictator of England, but also the truth of what happened that night in Berkeley Castle.

Edward II is famously one of England's most unsuccessful kings, as utterly different from his warlike father Edward I as any man possibly could be, and the first English king to suffer the fate of deposition. Highly unconventional, even eccentric, he was an intriguing personality, and his reign of nineteen and a half years from 1307 to 1327 was a turbulent period of endless conflict and the king's infatuation with his male favorites, which ended when his own queen led an invasion of his kingdom. Following in the Footsteps of Edward II presents a new take on this most unconventional and puzzling of kings, from the magnificent Caernarfon Castle where he was born in 1284 shortly after his father conquered North Wales, to his favorite residences at King's Langley in Hertfordshire and Westminster, to the castle of Berkeley in Gloucestershire where he supposedly met his brutal death in September 1327, to Gloucester Cathedral, where his tomb and alabaster effigy still exist and are among the greatest glories surviving from medieval England.
