Customer service is the provision of service to customers before, during and after the purchase of any product. Customer service is a series of activities designed to enhance the experience of the customers. The sole purpose of the customer service is to meet the expectations of the customers so that they are satisfied with the outcome.

## **What is customer service? - Entrepreneur Handbook**

The first level and most transactional is what I'd call plain old customer service. A company offers a product/service and customer needs that product/service. Transaction happens. Money changes hands. No major snafus occur. The next level is customer engagement. BTW - I believe this level is being driven by the popularity of social media.
