Logic Pro X - Official Apple Support

Logic Pro X User Guide (2015) I really wish I could print out the manual. Since I've already PAID for Logic Pro X and the User Manual is FREE, it doesn't make any sense that I'm not allowed to print it in any way so that I can refer to it while the app is open on my MacBook Pro.

Logic Pro X User Guide on Apple Books

The Logic Manual On this page you'll find various support materials to be used in conjunction with the Logic Manual. The publisher's web page for the book can be found here. An Italian translation has been published by Mimesis.

The Logic Manual - University of Oxford

Logic Pro X goes beyond the average sequencer with an advanced set of options that let you record, edit and manipulate MIDI performances. Transform a loose performance into one that locks tight into the groove using region-based parameters for note velocity, timing and dynamics.
