April Lindner is the author of Love, Lucy, Catherine and Jane and a professor of English at Saint Joseph's University in Philadelphia. Her poetry collection, Skin, received the Walt McDonald First-Book Prize in Poetry, and her poems have been featured in many anthologies and textbooks. April lives with her husband and two sons in Pennsylvania.

Amazon.com: Love, Lucy (9780316400688): Lindner, April: Books

I've enjoyed all April Lindner's prior YA retellings, but sadly this one just wasn't for me. Love, Lucy is also a retelling -- of A Room With a View, a book I've never read, so I can't comment on that aspect, but I'm left wondering if this turn of the century novel with a love triangle and love vs. duty themes was the best choice for a YA retelling.

<p>While backpacking through Florence, Italy, during the summer before she heads off to college, Lucy Sommersworth finds herself falling in love with the culture, the architecture, the food...and Jesse Palladino, a handsome street musician. After a whirlwind romance, Lucy returns home, determined to move on from her "vacation flirtation." But just because summer is over doesn't mean Lucy and Jesse have to be, does it? In this stunning novel, April Lindner perfectly captures the highs and lows of a summer love that might just be meant to last beyond the season.</p>
<p>A captivating digital original companion novella to April Lindner's Love, Lucy. Jesse Palladino is used to moving on. As a street musician backpacking through Europe, he's never in one place for long. Which is why it's so surprising he can't seem to move on from Lucy, the girl he fell for in Florence. They parted ways when Lucy returned home to start college, but every crowded piazza and winding cobblestone street reminds Jesse of the time they spent together. Now staying with a friend in Naples, he can't help wondering if it's time to pack up and move on again. But just when his mind is made up, something--or someone--might give him a reason to stay. --13,600 words</p>

Forced to drop out of an esteemed East Coast college after the sudden death of her parents, Jane Moore takes a nanny job at Thornfield Park, the estate of Nico Rathburn, a world-famous rock star on the brink of a huge comeback. Practical and independent, Jane reluctantly becomes entranced by her magnetic and brooding employer and finds herself in the midst of a forbidden romance. But there's a mystery at Thornfield, and Jane's much-envied relationship with Nico is soon tested by an agonizing secret from his past. Torn between her feelings for Nico and his fateful secret, Jane must decide: Does being true to herself mean giving up on true love? An irresistible romance interwoven with a darkly engrossing mystery, this contemporary retelling of the beloved classic Jane Eyre promises to enchant a new generation of readers.

Catherine is tired of struggling musicians befriending her just so they can get a gig at her Dad's famous Manhattan club, The Underground. Then she meets mysterious Hence, an unbelievably passionate and talented musician on the brink of success. As their relationship grows, both are swept away in a fiery romance. But when their love is tested by a cruel whim of fate, will pride keep them apart? Chelsea has always believed that her mom died of a sudden illness, until she finds a letter her dad has kept from her for years -- a letter from her mom, Catherine, who didn't die. She disappeared. Driven by unanswered questions, Chelsea sets out to look for her -- starting with the return address on the letter: The Underground. Told in two voices, twenty years apart, Catherine delivers a fresh retelling of the Emily Brontë classic Wuthering Heights, interweaving a limeless forbidden romance with a captivating modern mystery.

This Bed Our Bodies Shaped from April Lindner is a finalist in the 2011 Able Muse Book Award. This collection is a celebration of the universal human experience—childhood, puberty, parenthood, aging—from a uniquely personal and sensual perspective. Lindner's craft, which finds masterful and original expression in metrical and free verse, enlivens each experience until we seem part of the scene. Eavesdropping on this engagingly narrated life gives us startling new insights into our own. PRAISE FOR THIS BED OUR BODIES SHAPED: April Lindner ' s This Bed Our Bodies Shaped is a beautifully intimate and domestic book about the culture of family—what we bring to each other, boldly or tentatively, and what can never be known. Lindner pauses at the imprints we leave, what is buried under sand and snow, what returns to us again and again. Her poems are tender and fierce, startling in their excavations. – Denise Duhamel April Lindner ' s sublimely intelligent and compassionate poems make This Bed Our Bodies Shaped the kind of book that becomes your friend on a bedside table. Here is a poet you can always trust. She never sacrifices complex layers of emotion for a simple treatise. This slender volume follows the pilgrim ' s progress of girl into woman into lover into mother into maturity, in poems that both mark those thresholds and illuminate them with the brilliant specifics of a lived life. And the poet accomplishes all of this with the precision of a practiced harpist on the huge gold instrument of craft. April Lindner ' s poems work with a muscular silkiness. Reading them is like discerning a bicep through a transparent sleeve. – Molly Peacock There are beautiful collisions in these poems, collisions between vulnerability and unflinching looks at our human condition, its truths and contradictions. There is an earned strength here and this book ' s amplitude is heightened by terrific formal control (she knows her craft) and wild music. – Thomas Lux All the pleasures and pains of domestic life, of marriage and parenthood, love and loss, dullness and major rites of passage, find their textures and music in the poems of April Lindner ' s new collection. Her subtle mastery demonstrates again and again that the body itself creates the form of the poem, as surely as the bodies of the lovers shape their bed. The craft of these beautifully made verses is both seamless and palpable. – Mark Jarman

Daydreaming about her flirtatious ex-boyfriend, Mike, in spite of her affection for her current, more dependable boyfriend, David, Georgie impulsively goes on a weekend holiday in Rome with Mike and finds her romantic ideals turned upside-down when David unexpectedly shows up. A first novel. Reprint.

Gothic, intoxicating, feminist, darkly provoking and deeply romantic - this is the breathtakingly imagined untold story of the brides of Dracula, by bestselling author Kiran Millwood Hargrave in her much-anticipated YA debut. They say the thirst of blood is like a madness - they must sate it. Even with their own kin. On the eve of her divining, the day she'll discover her fate, seventeen-year-old Lil and her twin sister Kizzy are captured and enslaved by the cruel Boyar Valcar, taken far away from their beloved traveller community. Forced to work in the harsh and unwelcoming castle kitchens, Lil is comforted when she meets Mira, a fellow slave who she feels drawn to in a way she doesn't understand. But she also learns about the Dragon, a mysterious and terrifying figure of myth and legend who takes girls as gifts. They may not have had their divining day, but the girls will still discover their fate...

While backpacking through Florence, Italy, during the summer before she heads off to college, Lucy Sommersworth finds herself falling in love with the culture, the architecture, the food...and Jesse Palladino, a handsome street musician. As John Green, New York Times bestselling author of The Fault in Our Stars said, " King Dork will rock your world. " The cult favorite from Frank Portman, aka Dr. Frank of the Mr. T. Experience, is a book like nothing ever done before--King Dork literally has something for everyone: At least a half-dozen mysteries, love, mistaken identity, girls, monks, books, blood, bubblegum, and rock and roll. This book is based on music--a passion most kids have--and it has original (hilarious) songs and song lyrics throughout. When Tom Henderson finds his deceased father ' s copy of J. D. Salinger ' s The Catcher in the Rye, his world is turned upside down. Suddenly high school gets more complicated. Tom (aka King Dork) is in the middle of at least half a dozen mysteries involving dead people, naked people, fake people, a secret code, girls, and rock and roll. As he goes through sophomore year, he finds clues that may very well solve the puzzle of his father ' s death and--oddy--reveal the secret to attracting semi-hot girls (the secret might be being in a band, if he can find a drummer who can count to four. A brilliant story told in first person, King Dork includes a glossary and a bandography, which readers will find helpful and hilarious. Praise for King Dork: " Basically, if you are a human being with even a vague grasp of the English language, King Dork, will rock your world. "—John Green, author of The Fault in Our Stars " [No account of high school] has made me laugh more than King Dork. . . . Grade A. "—Entertainment Weekly " Impossibly brilliant. " —Time " Provides a window into what it would be like if Holden Caulfield read The Catcher in the Rye. " —New York Post [STAR] " Original, heartfelt, and sparkling with wit and intelligence. This novel will linger long in readers ' memories. " —School Library Journal, Starred [STAR] " A biting and witty high-school satire. " —Kirkus Reviews, Starred [STAR] " Tom ' s narration is piercingly satirical and acidly witty. " —The Bulletin of the Center for Children ' s Books, Starred " Loaded with sharp and offbeat humor. " —USA Today " King Dork is smart, funny, occasionally raunchy and refreshingly clear about what it ' s like to be in high school. " —San Francisco Chronicle Dork: Best Punk Rock Book Ever. " —The Village Voice " I love this book as much as I hated high school, and that ' s some of the highest praise I can possibly give. " —Bookslut.com

When tragedy forces her family to leave their Chicago apartment and return to her mother's childhood home in Timber Falls, Wisconsin, eleven-year-old Lucy McGowan quickly adjusts to small-town life and embarks on a quest to uncover the truth about the father she has never known, with unexpected results. By the author of Carry Me Home. Simultaneous. 60,000 first printing.
