Political Theory: An Introduction (Old Edition) eBook ...
Political theory is widely seen in India as an esoteric inquiry
unrelated to social and political practice and largely
irrelevant to the urgent or enduring problems of our times.
Contrary to this view, Rajeev Bhargava argues that it
emerges from practices and has the potential to return to
them-to stabilize, endorse, or challenge them. What is

social meanings.

The new third edition of the highly successful text has been revised and updated throughout to take account of new issues such as identity and difference, globalization and multiculturalism. The book provides a clear and accessible introduction to political theory and key concepts in political analysis. Each chapter discusses a cluster of interrelated terms, examines how they have been used by different thinkers and in the various political traditions, and explores related debates and controversies.

The original essays brought together in this volume examine the relationship between state and society in India,

Download Free Political Theory Rajeev Bhargava

discuss ideas of citizenship, and study the broad area known as public sphere. The eminent scholars who have contributed to this volume provide numerous fresh insights into issues that have been the subject of extensive debate in recent years. The first book which deals simultaneously with civil society, the public sphere and citizenship in the contemporary context, it also provides a comparative perspective with the West.

This book puts together the most important contemporary writings in the debate on secularism. It deals with conceptual, normative and explanatory issues in secularism and addresses urgent questions, including the relevance of secularism to non-Western societies and the question of

minority rights.

Contributed articles presented at a conference on the political philosophy of the Indian constitution held in Goa in Sept. 2001.

In recent times, the notion of citizenship has become increasingly prominent as the traditional boundaries of the nation-state face challenges from globalization, multiculturalism, and economic restructuring. In this context, *Citizenship in a Globalizing World* is a welcome addition in the field of political science as it takes a detailed look at the topic of citizenship, from the origins of both citizenship and the state, to various theories of citizenship

and what it means in the modern context, when it has to coexist with forces of globalization and the rise of new social groups.

Oxford Handbooks of Political Science are the essential guide to the state of political science today. With engaging contributions from 51 major international scholars, the Oxford Handbook of Political Theory provides the key point of reference for anyone working in political theory and beyond.

Indian Political Thought: Themes and Thinkers covers all major Indian political thinkers from the ancient, through medieval to the modern times. Thus, this book provides an

Download Free Political Theory Rajeev Bhargava

overview of the evolution of the Indian political thought through different historical periods, giving an insight into the sociological and political conditions of the times that shaped the Indian political thinking. It does not only talk about the lives and times of the thinkers, but also explores the important themes that formed the basis of their political ideologies. The chapters discuss the contributions of the thinkers and at the same time examine some important themes including the theory of state, civil rights, ideal polity, governance, nationalism, democracy, social issues like gender and caste, swaraj, satyagraha, liberalism, constitutionalism, Marxism, socialism and Gandhism. With a comprehensive coverage of both the thinkers and the themes of the Indian political thought, this book caters to
