This is the 14th edition of 'Marketing Management' which preserves the strengths of previous editions while introducing new material and structure to further enhance learning.

An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills.

For undergraduate principles of marketing courses. This ISBN is for the bound textbook, which students can rent through their bookstore. An introduction to marketing using a practical and engaging approach Marketing: An Introduction shows students how customer value -- creating it and capturing it -- drives effective marketing strategies. The 14th Edition reflects the major trends and shifting forces that impact marketing in this digital age of customer value, engagement, and relationships, leaving students with a richer understanding of basic marketing concepts, strategies, and practices. Through updated company cases, Marketing at Work highlights, and revised end-of-chapter exercises, students are able to apply marketing concepts to real-world company scenarios. This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States. For undergraduate and graduate courses in marketing management The gold standard for today's marketing management student The world of marketing is changing every day -- and in order for students to have a competitive edge, they need a text that reflects the best and most recent marketing theory and practices. Marketing Management collectively uses a managerial orientation, an analytical approach, a multidisciplinary perspective, universal applications, and balanced coverage to distinguish it from all other marketing management texts out there. Unsurpassed in its breadth, depth, and relevance, the 16th Edition features a streamlined organization of the content, updated material, and new examples that reflect the very latest market developments. After reading this landmark text, students will be armed with the knowledge and tools to succeed in the new market environment around them. MyLab® Marketing is not included. Students, if Pearson MyLab Marketing is a recommended/mandatory component of the course, please ask your instructor for the correct ISBN. Pearson MyLab Marketing should only be purchased when required by an instructor. Instructors, contact your Pearson representative for more information.

Since 1969, Philip Kotler's marketing text books have been read as the marketing gospel, as he has provided incisive and valuable advice on how to create, win and dominate markets. In KOTLER ON MARKETING, he has combined the expertise of his bestselling textbooks and world renowned seminars into this practical all-in-one book, covering everything there is to know about marketing. In a clear, straightforward style, Kotler covers every area of marketing from assessing what customers want and need in order to build brand equity, to creating loyal long-term customers. For business executives everywhere, KOTLER ON MARKETING will become the outstanding work in the field. The secret of Kotler's success is in the readability, clarity, logic and precision of his prose, which derives from his vigorous scientific training in economics, mathematics and the behavioural sciences. Each point and chapter is plotted sequentially to build, block by block, on the strategic foundation and tactical superstructure of the book.

A Down-to-Earth Approach James Henslin shares the excitement of sociology in Essentials of Sociology: A Down-to-Earth Approach, 11/e. With his acclaimed "down-to-earth" approach and personal writing style, the author highlights the sociology of everyday life and its relevance to students' lives.
