To reinvent yourself means changing the direction of your life. It means making a new set of choices and forging down a new path that expands opportunities, options, and possibilities. However, to change your life, you must first begin by changing yourself. And to change yourself, requires you go through a process of self-discovery.

Six Steps for Reinventing Yourself and for Upgrading Your Life

When you decide to reinvent your life after 60, the tendency may be to focus on big achievements. If you want to get in shape, you may rush out to join a gym. If you want to fix your financial situation, you may decide to sell everything that isn't "essential." In my experience, very few people thrive with this kind of approach.
