TikTok page mr.inverse merges together some of the funniest fails committed by people from across the globe to create a few seconds of pure enjoyment - as they say, laughter is the best medicine!

At midday on 11 August 2014, much-loved comedian Robin Williams was pronounced dead at his California home. From Mrs Doubtfire, Jumanji and Aladdin to Good WillHunting and Dead Poets Society, Robin Williams brought laughter - and deep joy - to a generation. Robin Williams was sparkingly funny, a lightning-fast ompromiser and a wonderful comic. But what touched millions of people was the warmth and compassion he exuded. The deeply tragic manner in which he took his own life has come as a shock to the world and caused people to wonder about the desperately troubled life behind the laughter he gave to millions.

With his twinkling eyes, boundless energy and unrivalled natural wit, Robin Williams was the comedian who brought laughter to a generation.Through roles in cherished films such as Mrs. Doubtfire, Jumanji, Aladdin and Hook, he became the genial face of family comedy. His child-like enthusiasm was infectious, sweeping viewers away. Allied to his lightning-quick improvisation and ability to riff lewdly off any cue thrown at him, Robin was that rare thing - a true comic genius who appealed to adults and children equally.He could also play it straight, and empathetic depth came to him naturally. A poignant performance in Good Will Hunting won him an Academy Award whilst his masterfully chilling turn in psychological thriller *Insomnia* shocked audiences and hinted at a darker side.What truly caught the imagination, though, was his good-heartedness. Warmth radiated from him on-screen, but he was legendary for his off-screen acts of selfless generosity. Where most Hollywood A-listers demand outrageous pampering in their contract riders, he always insisted that the production company hire a full quota of homeless people to help make his movies.But behind the laughter lay a deeply troubled man, and tragedy would follow. At midday, on 11 August 2014, Robin Williams was pronounced dead at his California home. The verdict was suicide. He had battled depression and addiction for many years and was allegedly beset by financial difficulties.Virginia Blackburn's sensitive and thoughtful biography celebrates his genius and warmth, but also attempts to understand what could have driven such a gentle and gifted man to so tragic an end. This is Robin Williams, the life, the laughter, and the deep sorrow of the man who made the world smile.

From New York Times culture reporter Dave Izkoff, the definitive biography of Robin Williams – a compelling portrait of one of America ' s most beloved and misunderstood entertainers. From his rapid-fire stand-up comedy riffs to his breakout role in *Mork & Mindy* and his Academy Award-winning performance in *Good Will Hunting*, Robin Williams was a singularly innovative and beloved entertainer. He often came across as a man possessed, holding forth on culture and politics while mixing in personal revelations – all with mercurial, tongue-twisting intensity as he inhabited and shed one character after another with lightning speed. But as Dave Izkoff shows in this revelatory biography, Williams ' s comic brilliance masked a deep well of conflicting emotions and self-doubt, which he drew upon in his comedy and in celebrated films like *Dead Poets Society*; *Good Morning, Vietnam*; *The Fisher King*; *Aladdin*; and *Mrs. Doubtfire*, where he showcased his limitless gift for improvisation to bring to life a wide range of characters. And in *Good Will Hunting* he gave an intense and controlled performance that revealed the true range of his talent. Izkoff also shows how Williams struggled mightily with addiction and depression – topics he discussed openly while performing and during interviews – and with a debilitating condition at the end of his life that affected him in ways his fans never knew. Drawing on more than a hundred original interviews with family, friends, and colleagues, as well as extensive archival research, Robin is a fresh and original look at a man whose work touched so many lives.

A biography written with the benefit of interviews with the actor himself, as well as his co-stars and longtime friends, chronicles his isolated childhood, his rise to fame, and his battle against drug addiction

Robin Williams was an American actor and comedian. Chicago-born, Williams started as a stand-up comedian in San Francisco and Los Angeles in the mid-1970s. He is credited with leading San Francisco's comedy renaissance. After rising to fame as an alien called Mork in the TV sci-fi sitcom series *Mork & Mindy*, Williams established a career in both stand-up comedy and feature film acting. He was known for his improvisational skills. After his first starring film role in *Popeye* (1980), Williams starred or co-starred in various films that achieved both critical acclaim and financial success, including *Good Morning, Vietnam*, *Dead Poets Society*, *Aladdin*, *The Birdcage*, and *Good Will Hunting* in 1997. He also starred in widely acclaimed films such as *The World According to Garp*, *Moscow on the Hudson*, *Awakenings*, *The Fisher King*, *One Hour Photo*, and *World's Greatest Dad*, as well as box office hits such as *Hook*, *Mrs. Doubtfire*, *Jumanji*, and *Night at the Museum*. Williams won the 1997 Academy Award for Best Supporting Actor for his performance as psychologist Sean Maguire in *Good Will Hunting*. He also received two Emmy Awards, seven Golden Globe Awards, two Screen Actors Guild Awards, and four Grammy Awards throughout his career. On August 11, 2014, Williams committed suicide at his home in Paradise Cay, California at the age of 63, which his wife attributed to his struggle with Lewy body disease.

Laughter is always the best medicine! If you love the comedy of Robin Williams and need a laugh, this book is for you! "Robin Williams' 100 Greatest Jokes" is a collection of Williams' funniest punchlines expanding his entire career, from his funniest movies to his brilliant stand-up comedy routines. Filled with funny pictures "Robin Willams' 100 Greatest Jokes" is the perfect coffee table book that will have everyone roaring with laughter! A great gift idea for lovers of comedy and Robin Williams' fans!

TIME Magazine presents Remembering Robin Williams.

A comprehensive guide to all of Robin Williams ' s movies, with facts about plots, performances, and cast, as well as notable trivia and behind-the-scenes details about each film. Did you know that, according to director Chris Columbus, Robin Williams improvised so much during the filming of *Mrs. Doubtfire* that the studio had enough footage to release PG, PG-13, R, and NC-17 versions of the movie? Or that Robin ad-libbed all his lines in *Good Morning, Vietnam* because the DJ the movie was based on didn ' t really do comedy during his shows? Robin Williams, American Master looks at Robin ' s seventy movies, from his earliest appearance in *Can I Do It...* ' 'Til I Need Glasses? to his final posthumous voice-only appearance in *Absolutely Anything*. Each film is discussed in detail, with special emphasis on Robin ' s performances and how they exist in the context of his entire body of work. Robin Williams, American Master is the perfect tour guide through Robin ' s epic collection of cinematic genius.

Jesuits thought they staged the suicide of Robin Williams to perfection. But Robin shared his heart with Gail from heaven to tell his version of events. The Jesuits threaten death to journalists who dare expose their murder of Robin Williams. Those, like Gail, who have the courage to report the truth, they try to discredit or silence. Gail's story matches the evidence gathered from Church of Gail forensic teams. Church of Gail is where Robin lived.

Based on 18 months of reporting, Woodward's 17th book is an intimate, documented examination of how President Obama and the highest profile Republican and Democratic leaders in the United States Congress attempted to restore the American economy and improve the federal government's fiscal condition over three and one half years. Drawn from memos, contemporaneous meeting notes, emails and in-depth interviews with the central players, THE PRICE OF POLITICS addresses the key issue of the presidential and congressional campaigns: the condition of the American economy and how and why we got there. Providing verbatim, day-by-day, even hour-by-hour accounts, the book shows what really happened, what drove the debates, negotiations and struggles that define, and will continue to define, the American future.
