The Cuban people are rising up against their nation's communist regime in the largest protests since the 1959 revolution. So, what is President Joe Biden going to do about it?

The American Revolution changed the lives of many people forever. This fascinating nonfiction book explores some of the most important events leading up to and during the war, including why colonists were upset with Great Britain, the Intolerable Acts and the Boston Tea Party. Through detailed images, engaging sidebars, and supportive text, readers will learn about people like George Washington, Paul Revere, and the Sons of Liberty and what they did to make the American Revolution so revolutionary! The helpful glossary and table of contents aids in further understanding of the vocabulary and content.

The Primary Sources series is the winner of the 2015 Academics' Choice Awards for the 2015 Smart Book Award in recognition of mind-building excellence. The American Revolution Primary Sources is a pack of 20 primary source documents that are relevant to the history of American Revolution. Each primary resource is printed on sturdy 8.5" X 11" card stock. American Revolution Primary Sources are just what teachers need to help students learn how to analyze primary sources in order to meet Common Core State Standards! Students participate in active learning by creating their own interpretations of history using historical documents. Students make observations, generate questions, organize information and ideas, think analytically, write persuasively or informatively, and cite evidence to support their opinion, hypotheses, and conclusions. Students learn how to integrate and evaluate information to deepen their understanding of historical events. As a result, students experience a more relevant and meaningful learning experience. The 20 documents in the American Revolution Primary Sources Pack are: 1. Political cartoon first created in 1754 during the French and Indian War, later used as a symbol of the American Revolution 2. Engraving of King George III - 1762 3. Political cartoon depicting a mock funeral for the Stamp Act, after it was repealed - 1766 4. Engraving depicting the Boston Massacre - 1770 5. Various first-hand accounts of the Boston Massacre - 1770 6. Lithograph (1846) of The Destruction of Tea at Boston Harbor - December 1773 7. Political cartoon entitled, "Bostonians Paying the Excise Man" - October 1774 8. Depictions of Paul Revere's Ride in 1775

Discover what caused the American Revolution in this stimulating nonfiction book. With its easy-to-read text and vivid images, readers are sure to be engaged as they learn about problems colonists faced, including the Stamp Act, the Townshend Act, and Intolerable Acts. The fascinating facts and intriguing sidebars further explore the reasoning behind such documents as the First Continental Congress, Declaration of Rights and Grievances, Thomas Paine's Common Sense, and the Declaration of Independence. To aid in better understanding of the content and vocabulary, a useful table of contents and glossary are provided.

Surveys the life of Nathan Hale, a Revolutionary War hero whose service to George Washington as a spy cost him his life.

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they

wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

John Adams (October 30 1735 - July 4, 1826) was the second president of the United States (1797-1801), having earlier served as the first vice president of the United States (1789-1797). An American Founding Father, Adams was a statesman, diplomat, and a leading advocate of American independence from Great Britain. Well educated, he was an Enlightenment political theorist who promoted republicanism, as well as a strong central government, and wrote prolifically about his often seminal ideas—both in published works and in letters to his wife and key adviser Abigail Adams. Adams was a lifelong opponent of slavery, having never bought a slave. In 1770 he provided a principled, controversial, and successful legal defense to the British soldiers accused in the Boston Massacre, because he believed in the right to counsel and the "protect[ion] of innocence." Adams came to prominence in the early stages of the American Revolution. A lawyer and public figure in Boston, as a delegate from Massachusetts to the Continental Congress, he played a leading role in persuading Congress to declare independence. He assisted Thomas Jefferson in drafting the Declaration of Independence in 1776, and was its primary advocate in the Congress. Later, as a diplomat in Europe, he helped negotiate the eventual peace treaty with Great Britain, and was responsible for obtaining vital governmental loans from Amsterdam bankers. A political theorist and historian, Adams largely wrote the Massachusetts Constitution in 1780, which together with his earlier Thoughts on Government, influenced American political thought. One of his greatest roles was as a judge of character: in 1775, he nominated George Washington to be commander-in-chief, and 25 years later nominated John Marshall to be Chief Justice of the United States. Adams' revolutionary credentials secured him two terms as George Washington's vice president and his own election in 1796 as the second president. During his one term as president, he encountered ferocious attacks by the Jeffersonian Republicans, as well as the dominant faction in his own Federalist Party led by his bitter enemy Alexander Hamilton. Adams signed the controversial Alien and Sedition Acts, and built up the army and navy especially in the face of an undeclared naval war (called the "Quasi-War") with France, 1798-1800. The major accomplishment of his presidency was his peaceful resolution of the conflict in the face of Hamilton's opposition. In 1800, Adams was defeated for re-election by Thomas Jefferson and retired to Massachusetts. He later resumed his friendship with Jefferson. He and his wife founded an accomplished family line of politicians, diplomats, and historians now referred to as the Adams political family. Adams was the father of John Quincy Adams, the sixth President of the United States. His achievements have received greater recognition in modern times, though his contributions were not initially as celebrated as those of other Founders. Adams was the first U.S. president to reside in the executive mansion that eventually became known as the White House.

Online Library The American Revolution Primary Source Activity Pack For Social Studies Clrooms
