Learn how easy it is to enjoy a lucrative career while leading the creative life you've always craved.

Addresses all aspects of turning a creative interest into a profitable business, covering business planning, licensing, budgeting, time management, and legal issues.

An all-encompassing guide to starting and running a successful craft business provides authoritative coverage of everything from developing successful product lines and preparing taxes to forming LLCs.

Filled with visual, step-by-step tutorials, this excellent resource for readers who want to take their craft business to the next level provides branding, selling and merchandising tips along with profiles of some of the world's most successful crafters. Original.

It has never been easier to start a home based business using the Internet to sell what you make. A whole generation of young families are enjoying additional income because they've learned to make and sell from the comfort of their home. The potential is real and the impact on household budgets can be life changing. But according to an April 2011 article in Inc. magazine, the average Etsy seller makes just \$785 a year. You can do much much better! In Craft Business Power the founders of Liberty Lane Clothing share their journey from startup to selling over a million dollars online. They started with a \$39 sale on eBay in 2008 and today they lead a dynamic team and have a thriving online business that author Jim Cockrum has called "a virtual empire" (Free Marketing 101, Page 89). If you've ready for a realistic 15 day plan for launching a profitable craft business that is easy to follow, filled with practical advice, and proven to work, this book is for you. If you want to start or expand a craft business get Craft Business Power today!

In a world where most products are manufactured by machines, Etsy offers an online platform for makers of handmade products and crafts to market and sell their goods to a vast network of buyers who demand unique, genuine products. To date, the site has attracted over 400,000 sellers who collectively have sold over 30 million items, generating more than \$180.6 million in revenue. The only resource of its kind, How to Make Money Using Etsy--written by Tim Adam who has successfully been selling his products all over the world through his Etsy shop since 2007--guides readers step-by-step through the many stages of selling online. How-to topics include: Establish your Etsy shop Effectively photograph your products Post your products to optimize visibility and increase sales Brand your business Use social media like blogs, Twitter, and Facebook to connect with buyers and grow your business

Use your PC to pick stocks like the pros--and yield significant returns in any market! Stock market guru David Brown knows plenty about computerized investing. His immensely popular on-line financial information firm, Telescan, provides tens of thousands of individual investors with stock quotes and up-to-the-minute data on every exchange in the world. Now, in Cyber-Investing, he shows both beginning and seasoned investors how to unleash the awesome potential of their PCs to pinpoint and follow up on stock opportunities the moment they happen. Armed with the powerful investment software featured on the disks along with David's proven strategies for using them, you can use your PC to: Streamline your investment decision-making process Spot extraordinary stock opportunities Determine the financial strength or weakness of any company Pinpoint undervalued stocks on any domestic or foreign exchange Use state-of-the-art analysis tools to find out when to buy and when to sell Manage your portfolio Generate significant returns year after year after year! Written in a lively, accessible style, packed with easy-to-read charts and tables, and featuring a gold mine of sophisticated investment software, Cyber-Investing makes it easier than ever for novices and seasoned investors alike to pick stocks like the pros!

NEW Best Practices and Techniques for Growing Your Business with Facebook, Twitter, and LinkedIn! Completely Updated! Five new chapters: planning/metrics, customer service, and much more New and revamped case studies New guest contributions from world-class experts, such as Charlene Li New, instantly actionable "To Do" lists after every chapter New Facebook discussion threads and much more! Whatever your business or organizational goals, this book will help you use social networking to achieve them. Renowned social networking innovator Clara Shih brings together powerful new insights, best practices, and easy-to-use "To Do" lists packed with proven solutions from real-world case studies. Writing for entrepreneurs and business professionals across marketing, sales, service, product development, and recruiting, Shih demonstrates how to move from tactical, reactive use of social networks toward strategic, proactive approaches--and how to accurately measure success. This edition adds extensive new coverage, including hands-on techniques for hypertargeting, engaging customers through Twitter and LinkedIn, leveraging changing social norms, and much more. You'll also find more than three dozen guest contributions from world-class experts such as author Don Tapscott and Harvard Business School professor Mikolaj Piskorski, as well as a brand-new chapter on customer service and support, today's fastest-growing area of business social networking. Shih has even added new chapters focused on advice for small businesses, healthcare and education organizations, nonprofits, and political campaigns--making this the one indispensable social networking guide for every organization!

With contributions from prestigious lawyers, economists, accountants, and consultants from around the world, Intellectual Property in the International Marketplace presents a highly complex subject in a user-friendly, organized manner. The two-volumes serve as an intellectual property compendium to business professionals and their counsel, helping them explore and answer intellectual property questions in business transactions in global settings. Volume I covers the methods for dealing with intellectual property in every type of business transaction, while Volume II covers the underlying general principles of international intellectual property law. The core volume (ISBN 0471-351059) is supplemented annually. The 2002 Supplement (ISBN 0471-390313) includes: \* New chapters on such topics as Patent Strategies in the Era of the Internet, Parallel Imports into and within the European Union, and Copyright and E-Commerce. \* Updates to International Laws and Developments on Security Interests in Intangible Assets that have taken place in Australia, Canada, France, Hong Kong, and Korea. The supplement updates the 2 Volume set, Simensky/Intellectual Property in the Global Marketplace, Second Edition (ISBN 0471-351059).
