Nonfiction Book Review: The History of Money by Jack ...

An engagingly digressive audit of the mediums of exchange humankind has used and abused down through the years, from anthropologist Weatherford (Savages and Civilization, 1994, etc.), Drawing on a wealth of sources, the author divides the history of money into three distinct stages. The first dates back nearly three millennia to the creation of coins in ancient Lydia (modern Turkey), whose best-known ruler, Croesus, has become a byword for affluence.
