The true story of four young Hungarians in search of inner meaning at a time of outer upheaval - the holocaust - who encountered luminous forces that helped them find new direction and hope in their shattered lives. These forces, which came to be known as angels, accompanied them for seventeen perilous months, until three of them met their deaths in Nazi concentration camps. Only Gitta Mallasz survived to bring their story and these remarkable dialogues to the world. Gitta Mallasz always rejected any notion of 'authorship' for this book, saying, "I am merely the 'scribe' of the angels."

When tragedy strikes, a cold case suddenly turns hot-and deadlyA peaceful morning is shattered when Washington Metro Police lieutenant Sam Holland's beloved father succumbs to injuries from an unsolved shooting while on duty four years ago. As the community rallies around Sam and her family, one thing becomes crystal clear: her father's death has turned the unsolved case into a homicide-and it's on her to bring her father's killer to justice.But the case has been cold for years?until an anonymous tip that's too shocking to believe leads Sam down a dark and dangerous path. Her husband, Vice President Nick Cappuano, knows if she can't solve this case, it will haunt her for the rest of her life. She'll need the strength of their bond to pull her out of the darkness before it's too late, because as the missing pieces rapidly fall into place, Sam realizes the truth might just break her all the same-and that her father's killer isn't done yet?

"When Tadpole was born, I spent a sleepless night on the maternity ward gazing intently into her inky, newborn eyes, grappling to come to terms with the indisputable fact that this was an actual person looking back at me, not just a version of Mr. Frog, or me, or both, in miniature. From the outset she seemed to know what she wanted, and I realized I could have no inkling of the paths she would choose to follow. But if I watch her life unfold carefully enough, perhaps I will see clear signposts pointing to who or what she will become. Because when I look backward, ransacking my own past for clues with the clarity that only hindsight can bring, a series of defining moments do stand out. Moments charged with significance; snapshots of myself which, if I join the dots together, lead me unswervingly to where I stand today: from French, to France, to Paris, and to Petite Anglaise." [ed. note - excerpted from Petite Anglaise, p.4] Catherine Sanderson has a beautiful bilingual daughter, an authentic French boyfriend, and a Paris apartment with bohemian charm. She has what she has always wanted - a life in France. Growing up in Yorkshire amidst a traditional family, Catherine had set her sights on a different life - a life that would immerse her in an exotic language and culture. From grammar school French lessons to teaching English in Normandy and finally to a permanent job in Paris, she was determined that France would be the place she would call home. But now that she does, things are not so idyllic. Catherine wonders just when her life in Paris turned from wine to vinegar: She's stuck in a dead-end administrative job, her relationship with her boyfriend has settled into a dreary routine, and the birth of their daughter has not helped to reignite the dying fire of her relationship. The remedy to her dissatisfaction arrives in the morning headlines. While scanning the news of the day, Catherine becomes intrigued by a story profiling an internet diarist. After exploring one blog after another, and in one exhilarating moment, Catherine decides to create her own online persona, her jardin secret. At that moment, she is transformed from Catherine to Petite Anglaise, her boyfriend to Mr. Frog, her daughter to Tadpole, and her life to something she could never have predicted. What begins as a lighthearted diversion, a place to discuss the fish-out-of-water challenges of ex-pat life in Paris, soon gives way to a raw forum for her to bare her most intimate secrets and impulsive desires. Thousands of readers log-on to the blog and are witness to the ever-widening gulf between Petite Anglaise and Mr. Frog. Those public revelations of her growing frustrations, which play out in each successive post, begin to surreptitiously yet irrevocably erode their relationship.

The exciting follow-up to Carry On by the number one New York Times bestselling author of Fangirl, Rainbow Rowell.

America's most trusted tax advice, backed by detailed citations of authoritative tax references J.K. Lasser's Your Income Tax Professional Edition 2020 is the tax preparer's guide to smart tax filing and planning.
