Winner of the 2020 Caldecott Medal A 2020 Newbery Honor Book Winner of the 2020 Coretta Scott King Illustrator Award The Newbery Award-winning author of THE CROSSOVER pens an ode to black American triumph and tribulation, with art from a two-time Caldecott Honoree. Originally performed for ESPN's The Undefeated, this poem is a love letter to black life in the United States. It highlights the unspeakable trauma of slavery, the faith and fire of the civil rights movement, and the grit, passion, and perseverance of some of the world's greatest heroes. The text is also peppered with references to the words of Martin Luther King, Jr., Langston Hughes, Gwendolyn Brooks, and others, offering deeper insights into the accomplishments of the past, while bringing stark attention to the endurance and spirit of those surviving and thriving in the present. Robust back matter at the end provides valuable historical context and additional detail for those wishing to learn more.

"A great American sport and Native American history come together in this true story of how Jim Thorpe and Pop Warner created the legendary Carlisle Indians football team"--

Legions of self-help authors rightly urge personal development as the key to happiness, but they typically fail to focus on its most important objective: hardiness. Though that which doesn't kill us can make us stronger, as Nietzsche tells us, few authors today offer any insight into just how to springboard from adversity to strength. It doesn't just happen automatically, and it takes practice. New scientific research suggests that resilience isn't something with which only a fortunate few of us have been born, but rather something we can all take specific action to develop. To build strength out of adversity, we need a catalyst. What we need, according to Dr. Alex Lickerman, is wisdom--wisdom that adversity has the potential to teach us.

Lickerman's underlying premise is that our ability to control what happens to us in life may be limited, but we have the ability to establish a life-state to surmount the suffering life brings us. The Undeclared Mind distills the wisdom we need to create true resilience into nine core principles, including: --A new definition of victory and its relevance to happiness --The concept of the changing of poison into medicine --A way to view prayer as a vow we make to ourselves. --A method of setting expectations that enhances our ability to endure disappointment and minimizes the likelihood of quitting --An approach to taking personal responsibility and moral action that enhances resilience --A process to managing pain--both physical and emotional--that enables us to push through obstacles that might otherwise prevent us from attaining our goals --A method of leveraging our relationships with others that helps us manifest our strongest selves Through stories of patients who have used these principles to overcome suffering caused by unemployment, unwanted weight gain, addiction, rejection, chronic pain, retirement, illness, loss, and even death, Dr. Lickerman shows how we too can make these principles function within our own lives, enabling us to develop for ourselves the resilience we need to achieve indestructible happiness. At its core, The Undeclared Mind urges us to stop hoping for easy lives and focus instead on cultivating the inner strength we need to enjoy the difficult lives we all have.

This epic story recounts the exceptional valor and endurance of American troops that battled Japanese forces in the Philippines during World War II. Bill Sloan, "a master of the combat narrative" (Dallas Morning News), tells the story of the outnumbered American soldiers and airmen who stood against invading Japanese forces in the Philippines at the beginning of World War II, and continued to resist through three harrowing years as POWs. For four months they fought toe to toe against overwhelming enemy numbers--and forced the Japanese to pay a heavy cost in blood. After the surrender came the infamous Bataan Death March, where up to eighteen thousand American and Filipino prisoners died as they marched sixty-five miles under the most hellish conditions imaginable. Interwoven throughout this gripping narrative are the harrowing personal experiences of dozens of American soldiers, airmen, and Marines, based on exclusive interviews with more than thirty survivors. Undeclared chronicles one of the great sagas of World War II--and celebrates a resounding triumph of the human spirit.

Only she can save herself... Maggie is sixteen years old and barely keeping her family alive in the throes of the Irish famine. As her mother is on her deathbed, Maggie is pressed to accept a proposal from their neighbour, Jack. With few options beyond marry or starve, Maggie weds Jack and they travel from their home in County Mayo across the sea to seek a better life in north west England. In their new village, food is plentiful and work is available, but Maggie must endure different hardships. As a wife, and before long a mother, Maggie is tested in more ways than one, and it is her dignity and strength that will see her through when all hope seems lost. A gripping historical novel about Irish emigration for fans of Geraldine O'Neill, Anna Jacobs, and AnneMarie Brear.

3 enemies... 2 cities... 1 sheriff... BOOM!For Sheriff Duke, the danger has reached the final countdown. Captured, tortured, beaten but undefeated, it's sixty seconds to midnight and the only way to save his wife and daughter is through the fugitive he left home to hunt. The real enemy isn't what they seem and the history of the forgotten Earth is about to be rewritten...But will any of it matter if there's no one left to read it?Don't miss the thrilling conclusion to the series readers have called "superb, exciting, fantastic, and seriously good!!!!"

Twenty-two year old blond haired, blue eyed, Kurt Mueller meets Stefan Schneider, and after a brief period, fall in love and move in together. Mueller, however, is enticed to join the S.A. by Ernst Rohm, even though he is not a Nazi. Over Schneider's objections, he transfers to the SS at the request of the Nazi leadership and is assigned to the unit that protects Hitler. Eventually, both are arrested and sent to Sachsenhausen by the head of the SS for being gay. Once there, it's up to Mueller to keep both of them alive until their release date five years later. Can their love possibly become an undefeated love in that environment?

Two football greats share the story of their accomplishments both on and off the playing field as they document their special father-son relationship in the face of the tragic death of the cancer that claimed the life of Bob's wife and Brian's mother and the shared values, commitment, and determination that have transformed their lives. 20,000 first printing.

A dynamic and hip collective biography that presents forty-four of America's greatest movers and shakers, from Frederick Douglass to Aretha Franklin to Barack Obama, written by ESPN's TheUndeclared.com and illustrated with dazzling portraits by Rob Ball. Meet forty-four of America's most impressive heroes in this collective biography of African American figures authored by the team at ESPN's TheUndeclared.com. From visionaries to entrepreneurs, athletes to activists, the Fierce 44 are beacons of brilliance, perseverance, and excellence. Each short biography is accompanied by a compelling portrait by Robert Ball, whose bright, graphic art pops off the page. Bringing household names like Serena Williams and Harriet Tubman together with lesser-known but highly deserving figures such as Robert Abbott and Dr. Charles Drew, this collection is a celebration of all that African Americans have achieved, despite everything they have had to overcome.

Una McCormack's *The Undeclared* is a thrilling space opera adventure featuring a no holds barred heroine on the front lines of an intergalactic war... She was a warrior of words. As a journalist she exposed corruption across the Interstellar Commonwealth, shifting public opinion and destroying careers in the process. Long-since retired, she travels back to the planet of her childhood, partly through a sense of nostalgia, partly to avoid running from humanity's newest-and self-created-enemy, the jenjer. Because the enemy is coming, and nothing can stand in its way. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
