When it comes to getting the best results, practice really does make perfect! Matched to the requirements of the National Curriculum, this math practice workbook targets every topic in Year 6 and contains practice opportunities to help improve performance in tests and assessments at Key Stage 2. Based on new research that proves repeated practice is more effective than repeated study, practice workbooks are guaranteed to help improve performance in tests and assessments. Included in this book are questions for every topic organized into three levels of increasing difficulty, progress tests throughout the book for ongoing assessment, a section where children can record their results and track their own progress, and a pull-out answer section.
