She walked into my world, the way a lamb strays into the path of a wolf, completely defenseless. She made me hard the moment our eyes locked. I had to have her. But I never imagined taking her would be like popping a powerful drug. One I'd crave over and over. The heat between us is blazing, like nothing I've experienced before, and every time I see her I want to devour her inch by inch. I defined the terms of our arrangement (one month), but each time I

I shouldn't have gone, but I didn't, and ended up in a room alone with the epitome of an Alpha male, a sexy powerful Mafia boss with eyes cold enough to freeze my blood. He took hold of my body in the most shockingly possessive way. He made me lose control. I ran from him as if all the devils in hell were hot on my heels, but he never left my mind. Then, something unthinkable happens and the cold-hearted predator is the only one who

Tasha - I knew Noah Abramovich was trouble the first time our eyes locked. I was sixteen that summer. Sitting by the pool eating an ice-cream I can still remember how it melted over my fingers and dripped onto my thighs as I stared back at him. It wasn't just his Greek god looks, the animalistic Alpha attitude, or his tall, powerful muscled body

- it was the aura around him that screamed, Don't fuck with me. At sixteen I wanted him with the passion of a woman, but mine was a world of unwritten rules. Rules that are worth more than a man's life. I didn't need anyone to tell me that he was everything I could not have. He never looked at me again, but I watched him from afar. I could tell there were deep secrets that kept his smile hidden. Dark and mysterious he seemed to fear no one, not even my father. A man he should have. One I feared greatly. As the years passed, the afternoon when time stilled became as unreal as a dream. I am twenty-two

I will do my duty and bring respectability to my father's dynasty, but before I give myself to that man, I must have a taste of the forbidden. Just one night with the man of my darkest fantasies, so I don't lie on my deathbed, and regret that I never reached out and took the one thing I wanted most in life. But will it heal or destroy me? Noah. - In the Mafia world, your past is never far behind. If you are careless, it seeps into your future and gets you killed. She comes offering one bite of the red apple. If I had any sense I'd shut the door on her, and send her back to her father, a psychopath of the highest degree. But that's not who I am. If the pretty princess has the courage to walk into the lion's den, I'm sure as fuck not going to pass on a challenge. I'll take one bite of her apple. Why the fuck wouldn't I? I've been lusting after it for years. Right
